Gregory D. Burns

SKILLS

Dedicated and adaptable Software Engineer with over 8 years of experience in developing innovative software solutions for small startups. Proven ability to work independently and manage projects from conception to completion. Seeking to leverage strong problem-solving skills and technical background in a local position outside of programming. Committed to continuous learning and contributing positively to team environments.

EXPERIENCE

Software Engineer, Remote

December 2016 - October 2024

- Developed and maintained custom software applications for various small startup companies, enhancing operational efficiency and user experience.
- Collaborated with clients to gather requirements and deliver tailored solutions that met their specific business needs.
- Managed multiple projects simultaneously, ensuring timely delivery and adherence to budget constraints.
- Provided technical support and training to clients, fostering strong relationships and enhancing customer satisfaction.
- Utilized agile methodologies to adapt to changing project requirements and improve workflow efficiency.

EDUCATION

University of Phoenix, Online Campus

Bachelor's Degree in Computer Science

MILITARY

U.S. Army - Satellite Communications Operator (31S)

1993 - 1999
